

# Todd Davis

Executive Advisor, Corporate Culture Expert, Speaker

## Topics

Personal and  
Interpersonal Effectiveness

*For over 26 years Todd Davis, Chief People Officer for FranklinCovey, has been entertaining and inspiring people from all around the globe with his deep understanding of employee engagement and talent management.*

Todd Davis has over 26 years of experience in training, training development, human resources, executive recruiting, sales, and marketing. He has been with FranklinCovey for the past 13 years and is the Chief People Officer.

Prior to his current role, Todd was a Director for FranklinCovey's Innovation Group where he led the development of core offerings including The 7 Habits of Highly Effective People Signature Program and The 4 Disciplines of Execution. He also worked for several years as FranklinCovey's Director of Recruitment attracting, hiring, and retaining top talent for the organization.

Todd worked in the medical industry for 9 years where he recruited physicians and medical executives along with marketing physician services to hospitals and clinics throughout the country.

Todd is extremely passionate about teaching and living the principles and concepts contained in FranklinCovey offerings. He believes strongly that to become a true leader you must first "be the change" and he diligently strives to be a model of what he teaches.
